A Message from Cubmaster Dave

Thanksgiving is almost here. I hope that everyone has enjoyed this year as much as I have. I want to thank all of the boys and parents who have helped make this Scouting year a good one. We have received really good input from scouts and parents.

This year is almost at an end, and next year for me will be a very short one with Pack 151. There are some major events coming up that Tom and his committee will need help with. The first is the Blue and Gold Ceremony. This is a birthday celebration for Scouting everywhere. One of the ways we help celebrate Scouting's birthday is when the scouts and a male member of the family/ friend kick the gals out of the kitchen and make a cake, then we auction the cakes off as a fund raiser.

We also have a bridging ceremony at the Blue and Gold. This is when the Webelos II move onto to Boy Scouts. I will be moving on at this time into Boy Scouts with my Boys, and will be leaving the Pack in the very capable hands of Tom.

March is the Pinewood Derby! This is an event that the Dads and Moms need to help build the cars and get the track set up and just plan on having fun!

As you can see next year is going to be exciting! And in order to help make next year a success, we need parent volunteers to fill several vacant positions: Committee Chair, Website, Membership/Charter, Training Coordinator, and Awards Coordinator (helpful if you work near the Scout Shop in Pleasant Hill). Please let Michelle or myself know if you are interested or have any questions.

Webelos II Den Update

No update available at time of print.

Webelos I Den Update

The Webelos 1 will be finishing up their Communicator requirement and we are planning our projects to do for the Craftsman pin. Some Den members participated in the Food Drive to help Den Leader Kenn. We also participated in the Veterans Day Parade and were

the largest marching force! The boys that participated enjoyed the camaraderie of fellow Scouts (Boys and Girls) marching in respect to those that served to protect our way of life. Hail to all of those in uniform.

Den Leader Victor

Bear Den Update

The Bear Den has been busy again during this shortened month. We finished our Den Flag and wrote a thank you note to a retired Antioch Police Dept. Sergeant, Glen Westberry (Noah's Grandfather) for visiting &

showing us safety equipment and procedures. Sergeant Westberry also taught us about fingerprinting. Thank you to the Bear Cubs and Parents who were able to help with the Scouting for Food Drive.

Den Leader Kenn (Lo-Lo)

Wolf Den Update

The Wolf Den has had a relatively quiet November. However, we have been focusing on compassion and giving during this month of Thanksgiving.

We have also trying to touch on responsibility by creating a daily chore list.

Den Leader Suzanne

Tiger Den Update

During the month of November the Tiger Cubs worked on a project related to the Thanksgiving Holiday. We created colorful turkeys which could be hung up on a window or around the house. Kudos to our

Tiger Cub, Shane who is making great progress in being involved with Den 7 activities, and a special thank you to Marc Ortega from the Wolf Den for being a BIG supporter in the Den Meetings.

Help the Webelos Help the Homeless this Christmas

The Webelos II Den is working on a project for their community service pin. They will be getting Christmas stockings and filling them with toiletries and some cookies. After the stockings are filled the Webelos will take them to a local homeless shelter at Christmas time and give one to each of the residents there.

Webelos please continue to save up your items and bring them to your den meetings.

Tiger, Wolf & Bear Dens may help the Webelos by donating any toiletries that you may have gathered

up on a trip this past summer or any weekend trip before Christmas.

We are looking for small soap bars, shampoo, conditioner, toothpaste, toothbrushes or lotions. We also need stocking caps.

We may need to purchase most of those so if you ever see them on sale (around \$1.00) please call Randy Hosmer at 925-756-1888. If anyone would like to contribute we could also use either home baked or store bought cookies early in December. Gift certificates to any grocery store or even the 99 cent / dollar stores would also help with whatever purchases we may need to make.
