This month has been a very busy one, registration, popcorn sales, den meetings, a breakfast hike. What else can we do? Any ideas? Bring them to the next committee meeting. You as a parent are part of the Committee!

Parents, the last committee meeting was not a good one, due to lack of participation from parents, we only had one parent attend the meeting. This Pack needs adult participation if it is

going to be successful. It is at these meetings where decisions affecting your pack are made. Activities are planned, and ideas are brought to life. Please make arrangements to attend the next committee meeting. Without your help the program does not work.

Don't forget to check your e-mails and the website for updates on our activities.

Looking forward to next month,

Cubmaster Dave

Webelos II Den Update

The Webelos II den has been working hard to complete their Arrow of Light requirements. They earned their scholar pin and have been working on other

pins they need to complete.

Webelos I Den Update

Den 4 is working on their Webelos 1 badge. We are currently in our second week for the Athlete requirements where the boys are attempting to meet and beat required activities from their previous tests. They are also into their Communicator requirements and are working on the subject they will talk about for the den.

Den Leader Victor

Bears Den Update

Den 5 has six active Bear Cubs. The two new ones are working hard on their Bobcat requirements. The rest are busy on their Bear Achievements. Our meetings have been at the Antioch City Park which has allowed us to work on an outdoor flag

ceremony, as well as several physical fitness activities. Our Den 5 flag design will be chosen and our entries for the Water Bottle Rocket Derby are LOOKING COOL!

Michelle & her Bobwhite Patrol at
Woodbadge 2007

Congratulations to Michelle Shinn For Earning Your Woodbadge Beads!

“Woodbadge has been a great experience! I recommend it to all of our adult leaders. I have made new scouting friendships within and outside our district that will stay with me even if I am not in scouting. I am very grateful to the boys in Pack 151 for letting me come to their den meetings and talk to them about different issues that may face them in life. I am so very proud of the boys for stepping up in activities outside our Pack, without them my beads would not be given to me at this time.”
